Professional Summary

Final-year Computer Science student specializing in MERN stack development. Built multiple responsive web applications including interactive games and full-stack platforms. Strong in API development, frontend performance optimization, and problem-solving. Seeking an opportunity to contribute to scalable web applications.

Technical Skills

Languages: JavaScript, TypeScript, Java

Frontend: React.js, HTML5, CSS3, Tailwind CSS, Bootstrap, Framer Motion

Backend: Node.js, Express.js, Mongoose, JWT Authentication, RESTful APIs

Database: MongoDB, MySQL

Tools: Git, GitHub, Postman, VS Code, Vercel

Core Concepts: Data Structures, OOP, DBMS, CN, WT, OS

Projects

AI Job Seeker Recommendation Platform | *MERN Stack, LLM*

March 2026 – Present

- Developed a comprehensive full-stack job portal with advanced job browsing and application functionalities.
- Implemented role-based authentication for Admin, Recruiter, and Job Seeker.
- Integrated AI-based job recommendation using LLMs to suggest personalized jobs.
- Built REST APIs using Node.js and Express.js for job and user management.
- Designed responsive frontend using React.js and Tailwind CSS.
- Optimized MongoDB queries for faster job search and filtering.

Interactive Snake Game | *JavaScript, HTML, CSS*

February 2026

- Built a browser-based Snake game using JavaScript with smooth gameplay.
- Implemented game logic, collision detection, and score tracking.
- Used localStorage to persist high scores across sessions.

AeroCards | *React.js, Tailwind CSS, Framer Motion*

January 2026

- Developed interactive UI with draggable cards using React.js.
- Integrated animations using Framer Motion for smooth UX.
- Ensured responsive design across devices.

Education

Bachelor of Technology in Computer Science

2022 – 2026

Babu Banarasi Das Institute of Technology, Ghaziabad

CGPA: 7.8

Intermediate

2022

Bindeshwari Singh College, Patna

67.20%

High School

2020

Gandhi High School, Patna

71%

Certifications

- Web Development Certification – BE10x & Ducat (2025)
